City Council Bi-Weekly Information Report
Friday, April 21, 2006**

Upcoming Meetings

April 25, 2006 – 6:00 PM City Council Meeting – Fire District

April 26, 2006 – 5:30 PM City Council Work Session – Library

Status Reports

Yavapai Economic Region forums

There will be two opportunities to attend one of these forums. The first is scheduled for May 12th from 12:30-3:30 PM at the Yavapai College, Prescott Campus room 3-205. The second forum will be held on May 19th from 12:30-3:30 PM at the Yavapai College, Verde Campus room M137. These forums are for anyone involved in economic planning or workforce development. There will be a special business resource section at each forum from 12:30-1:30 PM.

Family Fun Water Wise Festival

The Water Conservation Advisory Committee sponsored the event on Wednesday, April 19 in the courtyard at City Hall. Over 100 people plus staff, Council and committee members attended. Thanks to Audree Juhlin for organizing the event and to everyone who volunteered their time.

Status on Odor Control Study

An inspection and odor collection and sampling will be conducted on Tuesday morning, May 2, between 2:30 and 6:30 a.m. at a sewer manhole along SR 89A between Foothills Drive and Upper Red Rock Loop Road in West Sedona. Appropriate traffic controls will be in place. Current odor control measures will be shut down 48 hours in advance of the test. Odors may be worse on Sunday, April 30, and Monday, May 1, when those are shut down in preparation for the collection and sampling. They will be back online on Tuesday, May 2, by Noon.

Based on the results of these studies, a site-specific approach to reducing the odors in the area will be recommended

Proposed Budget to go out

The City Manager's proposed budget will be submitted to City Council by Tuesday evening. The Budget workshops are slated for May 1st through May 3rd in the afternoon. The Tentative Budget is scheduled for action by the current City Council and the incoming City Council will take action on the Final Budget.

If you have any questions please contact the City Manager's office at 204-7127.

Sincerely,

Eric J. Levitt
City Manager
